We Like It Because:

Both Extreme Rules and Money in the Bank are two of the most anticipated events in the WWE calendar.

Extreme Rules delivers some of the most jaw-dropping action in the history of the event – and things get particularly brutal in the Fatal 5-Way main event. It's nail-biting stuff as alliances are formed and bonds are broken, with Raw's top Superstars battling it out for a shot at Universal Champion Brock Lesnar.

There's also the next hard-hitting chapter in the epic Hardy Boys versus Sheamus & Cesaro rivalry – and you won't believe how extreme the teams are prepared to go for Raw's coveted Tag Team Championship!

There are also stunning performances from Alexa Bliss, Bayley, Neville, Austin Aries, The Miz and Dean Ambrose – who all prove they can take things to the extreme!

And the action's no less incredible at Money in the Bank. It's history-making too, as SmackDown LIVE presents the first ever women's Money in the Bank Ladder Match – with the blue brand's top female Superstars clamoring for a championship match contract.

What unfolds is one of the most controversial endings in recent history!

The men put it all on the line too in their hard-hitting Money in the Bank Ladder Match, with six of WWE's greatest Superstars putting their bodies on the line for a chance to compete for the WWE Championship!

And the rivalry between current WWE Champion Jinder Mahal and Randy Orton gets even more personal in their latest collision – a heartstopping battle for the most prestigious prize in sports-entertainment!

Don't miss out on these two action-packed shows!
