Synopsis:

For the first time ever, WWE Home Video takes you through the journey of Kevin Owens and his fight to get to the top of sports-entertainment. Hear from “The Prizefighter” himself as he talks about his career on the independent scene, getting to NXT, and his road to becoming the WWE Universal Champion. Welcome to The Kevin Owens Show!

We Like It Because:

Kevin Owens has been one of the most exciting Superstars to emerge in WWE over the past few years – and a Superstar who’s come to epitomise “The New Era”.

With his huge arsenal of jaw-dropping moves, KO is a true innovator in the ring – fast, furious, and unlike anyone else in WWE today. With a stacked collection of matches, this set perfectly captures what Owens is capable of between the ropes.

But most interesting is the feature length documentary which looks at the real Kevin Owens. Candid interviews and rare footage reveal how his love of sports-entertainment led him on a 15-year journey to WWE – from his days on the indie scene with best friend-turned-enemy Sami Zayn to arriving in NXT –and how being told that he wouldn’t make it drove him to succeed and become one of the industry’s top names.

Packed with stories, emotion, and sizzling action, this is a must-have collection and a tribute to WWE’s very own Prizefighter!
