We Like It Because:

The last pay-per-view event of 2016, Roadblock: End of the Line finished off an incredible year of PPV action for WWE.

Kevin Owens and Roman Reigns each delivers a powerhouse performance in their epic battle for the Universal Championship. There's extra drama as it's not just Owens' title on the line, but his friendship with Chris Jericho too!

Will the best buddies makes amends before the event is over? Or is this the end of team JeriKO? Roadblock: End of the Line will keep you guessing to the main event's highly controversial finish.

It was also another night of history-making firsts for the women's division, as Raw Women's Champion Sasha Banks and Charlotte Flair face each other in a 30-minute Iron Man Match. It's not only a first for WWE pay-per-view, but also a nerve-shredding conclusion to their groundbreaking rivalry.
