WWE Universal Championship Match
Seth Rollins vs. Finn Balor

Plus more action and extras!

We Like It Because:

Seth Rollins personifies modern WWE action – fast-paced, athletic, and hugely innovative. He belongs from an exclusive lineage that includes Shawn Michaels, Kurt Angle, and Eddie Guerrero. Legendary Superstars who reinvented themselves – and sports-entertainment – night after night.

The matches included on the set chart Seth’s incredible rise from developmental to bona fide main eventer and WWE Champion – including matches on the biggest stage of them all, WrestleMania.

Most interesting for hardcore fans though are the little-seen matches from FCW and NXT – when the Architect was still putting the building blocks of his career in place – and even the live special from Madison Square Garden featuring a cage match against John Cena.

It’s also fascinating to hear from the man himself, who gives a candid insight on everything you always wanted to know – how he got started, why he was the right choice as the first NXT Champion, plus the creation (and destruction) of The Shield and beyond!

Don’t miss out on this must-have collection!
