Synopsis:

Join the Power Rangers as they go head-to-head against menacing Nighlok monsters, while also harnessing the mighty new BullZooka weapon in these Super Samurai adventures bursting with supercharged action. When evil Lord Serrator unveils his mysterious master plan to enslave Earth, Jayden, Kevin, Mia, Emily and Mike must focus on the power of Ranger teamwork in order to triumph against Serrator's Mooger and Spitzfang army. Whether its battling against a duplicating Nighlok, Kevin and Mike getting stuck together with a sticky glue glob or overcoming an intense hunger toxin, the Samurai will leave you wanting more!

Includes seven episodes:

“Runaway Spike”

“The Strange Case of the Munchies”

“A Sticky Situation”

“Trust Me”

“The Master Returns”

“A Crack in the World”

“Stroke of Fate”

We like it because:

New powers, new weapons, new zords and a whole lotta fun! Rise of the Bullzooka is another great instalment in the Power Rangers Super Samurai series. It's clear that having run for over twenty years, it has stood the test of time and continues to entertain kids the world over and will always hold a special place in our hearts!
