We like it because:

Featuring the greatest fight scene ever to be committed to celluloid, THE RAID 2 brings a darkly energetic vision to life with disturbing realism.

With killer attitude and kickass style THE RAID 2 launches into a mind blowing display of violence and corruption as the world originally established in THE RAID escapes onto the streets of Jakarta bringing a whole host of new players to this deadly game of cat and mouse.

A stunning burst of violence makes THE RAID 2 the must own flick of 2014.
