# Ultimate Warrior: Always Believe

**On DVD & Blu-Ray from Monday 20th April 2015**

### Fast Sell:

After 18 years out of the spotlight, Ultimate Warrior made his long-awaited return to WWE last year.

Follow The Warrior's homecoming in this moving documentary, as he prepares for his induction into the WWE Hall of Fame, reflects on his career, and rebuilds old relationships. With 30 minutes of unseen footage, it's a fitting tribute to one of WWE's most enigmatic Superstars!

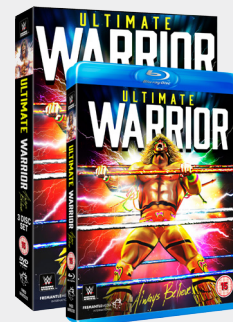

### We like it because:

The Ultimate Warrior remains one of WWE's most iconic figures – shrouded in mystery and encapsulating everything that wild and wonderful about WWE's golden era.

This documentary not only shows the man behind the war paint, but also highlights his relationship with WWE and how much it meant for him to return home and stand in front of the fans one last time.

There's a great selection of rare matches too, with appearances from a whole range of WWE legends – from Andre the Giant, to the Brooklyn Brawler and the mighty Earthquake.

Tragically, Warrior died just days after his return, making this a poignant and emotional story – and a special send-off to WWE's most ultimate Superstar.
