

PRESS RELEASE

ECW Unreleased VOL. 3

On DVD & Blu-Ray from Monday 27th April 2015

Fast sell:

Joey Styles and Blue World Order members the Blue Meanie and Stevie Richards take a journey through the hardcore history of Extreme Championship Wrestling – with another collection of chair-swinging, taboo-breaking hidden gems never before released on home video! Enter at your own risk!

Synopsis:

Join the voice of ECW, Joey Styles and The Blue World Order's Blue Meanie and Stevie Richards as they go through Extreme Championship Wrestling's hardcore history to bring you hidden gems that have never before been released on home video! Witness extreme matches and moments featuring ECW originals like Tommy Dreamer, Terry Funk, Rob Van Dam, Sabu, Cactus Jack, The Sandman, Raven, Shane Douglas, The Dudley Boyz, and more! Relive the revolution and enter the land of the extreme at your own risk with ECW Unreleased Volume 3!

We like it because:

It doesn't come much more hardcore than Extreme Championship Wrestling and this all-new set collects everything that makes the legendary promotion so popular to this day – brutal action, innovative characters, and some of the best in-ring talents from around the world!

This volume is also introduced by three bona fide ECW originals – the voice of ECW Joey Styles, the Blue Meanie, and

Stevie Richards – who give us their take on what made ECW's action so revolutionary. For those new to ECW, it's a brilliant introduction into a promotion that would come to shape the world of sports-entertainment.

Best of all, these matches are previously unseen on home video, so even though it's the ultimate trip down extreme memory lane, it's also brand new action to even the most hardcore of fans!

Special Features:

Cactus Jack, Tommy Dreamer & Pit Bulls Vs. Raven, Stevie Richards, Big Dick Dudley & Dudley (Blu-ray exclusive)

Masato Tanaka & Jerry Lynn vs. Mike Awesome & Justin Credible (Blu-ray exclusive)

Plus Dudley Driving School, Raven throwing a birthday party, and more unseen footage!
