### **We like it because:**

For the die-hards and casual WWE fans alike, there's nothing quite like WrestleMania. Living up to its reputation as a true spectacle, this year's event is as big as it comes – 75,000 fans packed into Santa Carla's huge Levi's Stadium, electrified by WWE's hottest matches and Superstars.

And it's not just about the spectacle. WrestleMania 31 delivered amazing action in the ring, from the opening ladder match, through to the highly anticipated Sing Vs Triple H showdown and the shocking final moments of the WWE Championship match. Already, it's being hailed as one of the greatest 'Manias of all time.

If that wasn't enough, there are the traditional celebrity appearances, jaw-dropping surprises, and even an appearance from ex-WWE champ The Rock!

It doesn't get much bigger than WrestleMania!
