K-On! Season 2 Complete Collection

On DVD from Monday 15th June 2015

Fast sell:

The second TV season of the phenomenal girl-singer saga K-ON! is now available on one set! Enjoy the final year of the girls' school exploits, including amateur dramatics, marathon races and – of course – loads of singing! Whatever they do, the girls are strengthened by their seemingly unbreakable friendship. But there's a parting of the ways on their horizon...

Key talent:

Original manga creator, Kakifly
Director, Naoko Yamada (Tamako Market)
Screenwriter, Reiko Yoshida (Romeo X Juliet, Maria Watches Over Us, Jyu-Oh-Sei, Yowamushi Pedal)
Character Designer, Yukiko Horiguchi (Lucky Star, Tamako Market)
Production Studio, Kyoto Animation (The Disappearance Of Haruhi Suzumiya, Full Metal Panic, Lucky Star, Tamako Market)

We like it because:

We could say we like it just because it's K-ON!, with all the charms from the first series; a group of loveable characters, their heart-warming friendships and funny hijinks, all brought to us through the exquisite animation and character designs of Kyoto Animation.

Highlights include a school performance of Romeo and Juliet, with Mio and Ritsu painfully miscast as the star-crossed lovers! But on top of that, the show has a yearningly nostalgic tone as the girls – well, four of them - embark on their last
