Return To Sender

On DVD & Blu-Ray from Monday 6th July 2015 and for download from Monday 6th July 2015.

Fast Sell:

GONE GIRL meets MISERY in a tense and unforgiving psychological thriller, starring Academy Award Nominee Rosamund Pike proving once again that she is the star to watch in 2015. Unafraid to break new ground, Return To Sender will leave audiences wanting more as it dares to challenge with unexpected turns and surprises.

Key talent:

Rosamund Pike (Gone Girl, Die Another Day, The World's End)

Nick Nolte (Cape Fear, Warrior, 48 Hours)

Shiloh Fernandez (Evil Dead, Red Riding Hood, Dead Girl)

Rumer Willis (Sorority Row, TV's 90210)

Synopsis:

Rosamund Pike (Gone Girl) stars as a small town nurse who gets brutally attacked and raped in her own home by a mysterious man (Shiloh Fernandez). Following his arrest, she starts to write to him but the letters all get returned unopened. Determined to confront him she then starts to regularly visit him in prison and seemingly befriends him, against her father's (Nick Nolte) express wishes. Unable to understand his daughters intentions he fears for her safety come the time her assailant is released...but has he underestimated her strength and resolve?

We like it because:

Return to Sender is yet another truly career defining outing for Rosamund Pike as an actor, she's captivating and holds the viewer's attention throughout this chilling revenge story.

Also starring Nick Nolte who adds a much needed emotional punch to the gut throughout and Shiloh Fernandez and Rumer Willis whose rises to fame is set to escalate in 2015!

Tense throughout and building to a brutal-but-underplayed climax, Return To Sender is unnerving psychological drama at its very best.
