the Ford Brothers unique vision on a far bigger canvas, with breathtaking scope, thrilling action and emotional resonance...

We like it because:

A non-stop ferocious fight for survival across the exotic landscapes and slums of India left us with an eerie 'edge-of-your-seat' feeling that we can't quite shake.

The Dead 2: India triumphs with its unique apocalyptic vision, utilising the sprawling vistas and closed quarters locations to terrifying effect, coupled with standout performances from the cast, The Dead 2: India is one unforgettable road trip.
