We like it because:

Just when it looked like WWE had retired the infamous Elimination Chamber match, it returns with full force – and this time around, not only it feature a blistering battle for the vacant IC title, but for the first time ever, tag teams enter the Chamber, putting 13 top Superstars in action all at once!

There was also great action from former Shield teammates Seth Rollins and Dean Ambrose, who both put on amazing performances in their bout for the most coveted prize in sports-entertainment, the WWE World Heavyweight Championship. Further proof these Superstars are the future of WWE.

But the event's most exciting moment belongs to NXT Champion Kevin Owens, who makes his WWE pay-per-view debut here, battling John Cena in one of the year's most shocking matches – a must-watch for every WWE fan!
