We like it because:

Heading to SummerSlam, things are heating up for WWE's top Superstars!

Brock Lesnar's return has set the stage for one of the most anticipated matches in recent memory, as he looks to reclaim the WWE Championship from the man who stole it from him at WrestleMania. And just like WrestleMania, Battleground has one of the shocking endings in WWE history!

The John Cena Vs Kevin Owens match is also a five-star classic, putting a dramatic conclusion to their intense and unpredictable rivalry.

Battleground marks the first chapter in the Divas' "Revolution", with NXT stars Charlotte and Sasha Banks joining the WWE roster to show why they're two of the world's most respected female performers – the result is one of the most talked-about matches the Divas division has ever seen!

Make sure you don't miss Battleground!
