The Kliq Rules

On DVD & Blu-Ray from Friday 7th Aug. 2015.

Fast sell:

WWE's most notorious group of buddies reunite for a documentary that charts their highs, lows, and huge impact on the world of sports-entertainment. With candid interviews and a collection of their greatest matches and moments!

Synopsis:

Join Shawn Michaels, Kevin Nash, Scott Hall, X-Pac and Triple H as they reunite The KLIQ, the most notorious backstage group in all of sports-entertainment.

Get an inside look at how they came together, the infamous "Curtain Call" incident, and how The KLIQ divided and conquered to single-handedly change the face of both WWE and WCW during the Monday Night War.

In this never-before-seen special, get all the stories, the backstage antics, all the controversy and find out why THE KLIQ RULES!

Plus lots more action and Blu-ray exclusives!

We like it because:

After all the controversy in and out of the squared circle, it's great to see the infamous KLIQ back together. Not only that, but they're more candid than ever before, discussing all that backstage stuff you always heard was true – but was never sure if you should believe until now!

There's also a great selection of matches, covering WWE's "New Generation" era, when the KLIQ's talents kept the struggling company in business, and the Monday Night War, during which the separated KLIQ members became DX and the NWO – two of sports-entertainment's most influential ever groups!

Whether you're a long-term fan or you're just getting started, this is an invaluable history lesson on five Superstars who made WWE what it is today!
