

-THE DARK HEART OF CINEMA -  
**FILM4 FRIGHTFEST**

27th to 31st August 2015

# Film4 FrightFest 2015

Films represented by

**Fetch Publicity are delighted to announce we will be attending Film4 Frightfest 2015 to represent the biggest and the best titles on display this year. If you are looking for intense suspense or sinister chills and anything in between, our team has you covered.**

Please find below all the relevant details for titles Fetch Publicity will be handling at the festival.

Please be aware that whilst we try to accommodate requests for screeners, this is not always possible. The best way to see these films are on a big screen and with the Frightfest audience.

There will also be talent availability for films listed below, if we can not accommodate you with face to face interviews we will attempt to arrange phoners at a later date.

Please ensure to contact the relevant PR listed below, so that we can process requests as quickly and as efficiently as possible.

## **CHERRY TREE**

**Director:** David Keating

**Cast:** Anna Walton, Naomi Battrick, Sam Hazeldine, Patrick Gibson, Minnie Phipps.

Faith's world is turned upside down when she finds out her father is dying. When the mysteriously alluring Sissy Young becomes her field hockey coach, Faith finds a compassionate spirit and much-needed mother figure. Little does she know that Sissy is the head of a centuries-old witches' coven using the fruit of an ancient cherry tree in a secret ritual that restores life. And soon Sissy has enticed Faith into making a fateful bargain that is about to change everything... From David Keating, the director of the critically acclaimed neo Hammer horror WAKE WOOD, comes another blood-freezing rural nightmare..

## **TURBO KID**

**Directors:** François Simard, Anouk Whissell, Yoann-Karl Whissell.

**Cast:** Munro Chambers, Laurence Leboeuf, Michael Ironside, Edwin Wright, Aaron Jeffery.

It's 1997. In a post-apocalyptic world a young kid obsessed by comic books lives in an underground bunker and survives by scavenging in the Wasteland. His life is turned upside down when the evil Zeus who controls the water supply with an iron fist kidnaps his mysterious new friend Apple. And the reluctant hero must find the courage to face his fears if he is going to save her. Take a BMX bike ride into outlandish MAD MAX territory with an endearingly sincere romp through a pitch-perfect pastiche of hip 1980s popcorn flicks, giddy carnage, retro violence and touching romance.

## **STUNG**

**Director:** Benni Diez.

**Cast:** Matt O'Leary, Jessica Cook, Lance Henriksen, Clifton Collins Jr., Cecilia Pillado.

Every year wealthy Mrs. Perch throws a fancy garden party at her country villa. Caterers Paul and Julia are hired to organise the bar and buffet and think that's all they have to worry about. Wrong! Mrs Perch's illegally imported plant fertilizer has infected a local species of killer wasps and with the celebrations in full swing the swarm attack, lay eggs in their human prey, which then mutate into 7-foot tall predators with an attitude. Can Paul and Julia stop the insectoid nightmare and continue their stumbling romance? Get your buzz on with this enormously fun creature feature.

**For more information and potential interview opportunities with Director Benni Diez and Cast - Please contact - Tom@fetch.fm**

## **HELLIONS**

**Director:** Bruce McDonald.

**Cast:** Chloe Rose, Robert Patrick, Rachel Wilson, Rossif Sutherland, Luke Bilyk.

After putting himself firmly on the genre map with PONTYPOOL, director Bruce McDonald returns with an atmospheric and impressive Halloween horror. Teenage Dora Vogel is coming to terms with an unwanted pregnancy. Yet to reveal the news to her mother, she simply wants to forget her current situation by partying Halloween night away. Putting on her angel costume she waits for her boyfriend to arrive. Instead, a malevolent group of monstrous pumpkin-headed trick-or-treaters come knocking with intentions of taking the unborn life inside her. Now Dora must use her sharpened survival instincts to endure the sinister demonic army until dawn.

wants to forget her current situation by partying Halloween night away. Putting on her angel costume she waits for her boyfriend to arrive. Instead, a malevolent group of monstrous pumpkin-headed trick-or-treaters come knocking with intentions of taking the unborn life inside her. Now Dora must use her sharpened survival instincts to endure the sinister demonic army until dawn.

## **WE ARE STILL HERE**

**Director:** Ted Geoghegan.

**Cast:** Barbara Crampton, Andrew Sensenig, Lisa Marie, Larry Fessenden

The producers of THE HOUSE OF THE DEAD and CHEAP THRILLS serve up a tense ghost story in the Italianate Lucio Fulci/Pupi Avati tradition. After their teenage son is killed in a car crash, Paul and Anne move to the New England countryside to start a new life. But the grieving couple unknowingly becomes the prey of a family of vengeful spirits that reside in their converted funeral parlour home. And so begins a terrifying fight back against the living hiding a terrible secret and the malicious dead demanding a sacrifice that threatens to pull their cursed souls into hell.

## **DEMONIC**

**Director:** Will Canon.

**Cast:** Maria Bello, Frank Grillo, Cody Horn, Dustin Milligan.

Director James Wan brought his magic touch to SAW, INSIDIOUS, THE CONJURING and FAST & FURIOUS 7. Now the ANNABELLE producer puts his name to another super-shock supernatural mystery. In the aftermath of a horrific massacre where five college students were brutally murdered inside an abandoned home, Detective Mark Lewis and psychologist Dr. Elizabeth Klein question the lone survivor of a ghost-hunting excursion that seemingly went horribly wrong. The amateur paranormal activists were simply seeking proof of poltergeist phenomenon at the supposed haunted house. But what started out as a harmless pursuit turned into something truly terrifying.

## **FINAL GIRL**

**Director:** Tyler Shields.

**Cast:** Abigail Breslin, Wes Bentley, Alexander Ludwig, Logan Huffman, Cameron Bright.

Ever since she was a young girl, Veronica has been groomed by her mentor to become a lethal assassin, her sights set on devil-may-care murderers who think they are above the law. Her latest targets are a pack of wild child American Psychos who love nothing more than hunting distressed female prey in the woods. But when the wolf pack is manipulated into picking Veronica as their latest victim, they learn pretty fast they chose the wrong girl. Famed photographer Tyler Shields makes his feature debut with an exciting and stylish mash-up of SCREAM horror mythology and LA FEMME NIKITA.

**For more information and potential telephone interview opportunities with Cast - Please contact - Elle@fetch.fm**

## **ZOMBIE FIGHT CLUB**

**Director:** Joe Chien.

**Cast:** Andy On, Jessica Cambensy, Michael Wong, Terence Yin, Abby Fung.

The highly anticipated sequel to the splatterific ZOMBIE 108 finds stars Andy On and Jessica C escaping a zombie overrun apartment block in the corner of near-future devastated Taipei city. In the midst of this zombie holocaust, with all social structures on the brink of collapse, contaminated drugs cause hordes of rappers and strippers to become infected and join the aggressive flesheaters. When a SWAT team arrives on the scene, it seems the cavalry have arrived, but they only want the stash of drug cash in this boobs and blood mix of THE RAID and DAWN OF THE DEAD.

**For more information and potential telephone interview opportunities with Cast - Please contact - Beth@fetch.fm**

## **BLOODSUCKING BASTARDS**

**Director:** Brian James O'Connell.

**Cast:** Fran Kranz, Emma Fitzpatrick, Joey Kern, Jacquelyn Palmquist, Pedro Pascal.

If you think you've ever had a bad day in the office, think again! Work life is a killer in this comedy horror from the popular Dr God Comedy team. For Evan, played by Fran Kranz (CABIN IN THE WOODS) girlfriend problems and work woes are already causing him headaches – the last thing he needs is a vampire infestation to cap it all off. This fast, funny and very bloody feature slayed them in the aisles at its US Slamdance screenings.

**For more information and potential interview opportunities with Producer Brandon Evans - please contact - Beth@fetch.fm**

## **SHUT IN**

**Director:** Adam Schindler.

**Cast:** Beth Riesgraf, Martin Starr, Jack Kesy, Rory Culkin, Leticia Jimenez.

Anna Rook is isolated from human contact in nearly every way, which is exactly how she likes it. Suffering from crippling agoraphobia and holed up in an old Victorian mansion on the outskirts of town, the people in Anna's life can be counted on two fingers: her terminally-ill brother, Conrad, and the charismatic Meals-on-Wheels driver, Dan. But Anna's home is about to be invaded by a trio of small-time criminals after a hidden stash of cash. She can't bring herself to flee, but what the intruders don't realise is that agoraphobia is the least of her psychoses.

**For more information please contact - [Sadari@fetch.fm](mailto:Sadari@fetch.fm)**

## **DEATHGASM**

**Director:** Jason Lei Howden.

**Cast:** Milo Cawthorne, James Blake, Kimberley Crossman, Sam Berkley, Daniel Cresswell.

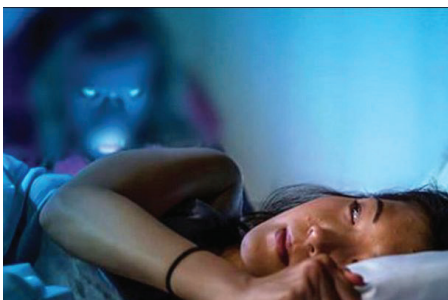

From the producers of HOUSEBOUND and FRANKENSTEIN'S ARMY, a splatstick shocker full of brutal, bloody, fanatical fun. When metal-thrashing outcast Brodie meets a kindred spirit in Zakk, they start their own band Deathgasm. Soon the duo's resentment of the suburban wasteland leads them to sheet music said to grant the Ultimate Power to whoever plays it. But the music also summons the ancient evil entity Aeloth The Blind One who threatens to tear apart existence itself. With their classmates and family inhabited by demonic forces that turns them into psycho killers, can the wicked force be stopped.

**For more information and potential interview opportunities with Director Jason Lei Howden - Please contact - [Elle@fetch.fm](mailto:Elle@fetch.fm)**

## **THE NIGHTMARE**

**Director:** Rodney Ascher.

**Cast:** Yatoya Toy, Siegfried Peters, Steven Yvette, Age Wilson.

From the acclaimed director of the Stanley Kubrick analysis ROOM 237, a perceptive look at the frightening condition that plagues many people. Sleep paralysis is a variety of dream state that seizes a person and makes them prisoner of their own ghoulish hallucination. This unique and startling documentary profiles a dozen such severely afflicted individuals and invites you into their brains via vivid reconstructions of their worst reveries. With its chilling anecdotes of sinister visions and horrifying dramatisations, this tricky balance of visceral fright and sincere investigation could be considered distressing, is rather bloodcurdling and may freak you out.

**For more information and potential interview opportunities with Director Rodney Ascher and Cast - Please contact - [Elle@fetch.fm](mailto:Elle@fetch.fm)**

## **CONTRACTED PHASE: II**

**Director:** Josh Forbes.

**Cast:** Alice Macdonald, Matt Mercer, Najarra Townsend, Elisha Yaffe, Charity Daw

In 2013 Film4 FrightFest premiered the ferocious body horror **CONTRACTED** to great acclaim. In this shocking sequel the fear escalates as the sexually transmitted outbreak worsens and threatens to engulf all humanity. Prepare for some wince-inducing sequences of body horror and beyond which will have you squirming in your seat.

**For more information and potential interview opportunities with Writer Craig Walendziak and Cast - Please contact - Tom@fetch.fm**

## **A CHRISTMAS HORROR STORY**

**Directors:** Grant Harvey, Steven Hoban, Brett Sullivan.

**Cast:** William Shatner, George Buza, Zoé De Grand Maison, Amy Forsyth, Rob Archer.

It's beginning to look a lot like Christmas as FrightFest presents some festive fright in this Yule-be-sorry anthology set in the small town of Bailey Downs. High school students investigate a mysterious homicide that occurred the prior holiday season, a couple notices their young son is acting strangely after a snowy forest trip to cut down a traditional tree and one family are stalked through a winter wonderland by Krampus, the Xmas demon. Meanwhile at the North Pole, Santa is fending off zombie elves... **TALES FROM THE CRYPT** meets **SILENT NIGHT DEADLY NIGHT** for frosted Jingle Bell Shock.?

**For more information and potential telephone interview opportunities with Directors and Cast - Please contact - Elle@fetch.fm**

## **NINA FOREVER**

**Directors:** Ben Blaine, Chris Blaine.

**Cast:** Fiona O'Shaughnessy, Abigail Hardingham, Cian Barry, David Troughton, Elizabeth Elvin.

Rob is a supermarket shelf-filler who tried to kill himself after depression brought on by the sudden tragic death of his girlfriend Nina. Checkout girl Holly has a morbid fascination with pain and death and puts Rob on her want list. Sexual sparks fly when they do finally get together. There's just one problem. Even though she's dead, sarcastic Nina has no intention of letting go of her ex. But can Rob and Holly really cope with a forever revenant threesome? A tender but bloody story about breaking up and moving on.
