# SummerSlam 2015

**On DVD & Blu-Ray from Monday 12th Oct. 2015.**

### Fast sell:

WWE's biggest pay-per-view of the summer heads to Brooklyn, New York, where The Undertaker will finally attempt to get his revenge on Brock Lesnar in a rematch 16 months in the making.

Featuring all top WWE Superstars and guest celebrity host Jon Stewart, SummerSlam is one of this year's must-see events!

### Synopsis:

The biggest party of the summer comes to the east coast in 2015 as SummerSlam returns to take over New York!

After Brock Lesnar destroyed Undertaker's 21-0 undefeated streak at WrestleMania 30, The Deadman is out for revenge as the two collide in this highly anticipated re-match!

Plus The Big Apple will never be the same after John Cena, Roman Reigns, Dean Ambrose, Seth Rollins and more settle their simmering summer scores!

### We like it because:

Next to WrestleMania, SummerSlam is one of WWE's two biggest shows of the year – and as ever, the “biggest party of the summer” doesn't disappoint.

The headlining Undertaker Vs Brock Lesnar match is one of the most anticipated showdowns from the past two years, with the end of Undertaker's “Streak” still as shocking now as it was back at WrestleMania XXX – and the dramatic end to this rematch is just as controversial!

Seth Rollins also proves why he's one of the modern era's greatest champions in his stunning performance against John Cena. And Rollins' former teammates Roman Reigns and Dean Ambrose enter a hard-hitting brawl with their old adversaries from the Wyatt Family.

One of the most exciting match-ups is the three-way Divas elimination bout between PCB, Team Bella, and Team B.A.D. – after weeks of promise, the “Divas Revoltuion” finally hits the ring! Don't miss it!
