Beyond the Boundary - Complete Season Collection

On DVD & Blu-Ray from Monday 14th Dec. 2015.

Key talent:

Director - Taichi Ishidate (Key Animator and Episode Director on Clannad and K-ON!)

Synopsis:

The dark fantasy follows a high school sophomore named Akihito Kanbara. Although the boy appears human, he is half youmu and invulnerable to wounds because he can heal quickly. One day, Akihito meets freshman Mirai Kuriyama when it seems she is about to jump from the school rooftop. Mirai is isolated because of her ability to manipulate blood, which is unique even among members of the spirit world. Disturbing events begin to unfold after Akihito saves Mirai.

We like it because:

Beyond the Boundary is a modern fantasy series, with a colourful cast, terrifying monsters and a beautiful love story.

Hot Quotes:

“In the end, Beyond the Boundary is a great anime and truly one of the best of last year. It has excellent characters, a believable love story, an exciting world, and an offbeat humor that I personally could not get enough of.” – Kotaku

“Typically superb execution from Kyoto Animation...” - AnimeNewsNetwork
