**We like it because:**

After the now infamous breaking of Undertaker's "Streak" at WrestleMania 30 and the controversial ending to their SummerSlam rematch, the anticipation for this final showdown between "The Deadman" and Brock Lesnar has been huge – and what happens between the steel walls of Hell in a Cell is arguably the most gripping and brutal WWE match of the year. And that's not to mention the shocking events that take place after the match...

There's also a huge fan-pleasing moment as John Cena's U.S. title "Open Challenge" is answered by a returning WWE Superstar, while Bray Wyatt and Roman Reigns prove themselves as the Superstars of the future in their intense feud-ending showdown.

With incredible action and big surprises, it's already being hailed as one of WWE's greatest PPV events of 2015 – unmissable!
