WWE: Royal Rumble 2016

It's one-versus-all as the WWE World Heavyweight Championship is defended in the Royal Rumble match for the first time ever!

On DVD & Blu-Ray from Monday 21st March 2016.

Fast Sell:

It's the most anticipated match of the year – WWE's 30-man over-the-top-rope Royal Rumble, packed with twists and turns, hard-hitting action, and more surprise entrants than ever before! This year's event is the most exciting yet, as Roman Reigns defends the World Heavyweight Championship in the Royal Rumble match – the first time this has happened in the event's prestigious history! Can the Roman Empire survive? Will the Authority finally succeed in dethroning him? And just who will head into WrestleMania as WWE Champion?

Synopsis:

The 30-man Royal Rumble match, including Roman Reigns, Brock Lesnar, Chris Jericho, Bray Wyatt, Sheamus and Plus more action, extras and over 70 minutes of Blu-ray exclusives!

We like it because:

The “Road to WrestleMania” is always the most exciting part of the year in WWE – and it kicks off right here with the Royal Rumble match!

There’s added drama and an electric atmosphere as WWE raises the stakes even higher. And it’s not just the World Heavyweight Championship that’s on the line, but an opportunity to headline the biggest WrestleMania of all time.

As ever, part of the excitement is waiting to see the twists and turns of the Rumble match, not mention what surprise entrants appear at the end of each countdown – and this year delivers more than ever, with appearances from returning Superstars, incredible NXT talent, and the most “phenomenal” free agent in sports-entertainment!

The undercard matches are also stellar, featuring a brutal stunt-filled brawl between Dean Ambrose and Kevin Owens, huge fun as the charismatic New Day take on the high-flying Usos, and a rivalry-turned-personal as former friends Charlotte and Becky Lynch scrap over the Divas title.

An epic start to 2016 and the first step on the Road to WrestleMania!
