On May 2nd 2016, Warner Bros. Home Entertainment (WBHE) will release the 75th Anniversary Blu-ray™ edition of the Orson Welles classic ***CITIZEN KANE***.

The Oscar®-winning film, directed, written by and starring Orson Welles, is considered to be one of the finest achievements in cinema and last year topped the BBC Culture poll of the 100 Greatest American Films. Welles was only 25 years old when he made this, his debut film, a gripping drama which would cement his reputation as one of Hollywood's most influential directors and stars.

With a cast including Joseph Cotten, Agnes Moorehead and Everett Sloane, Oscar-nominated camerawork by Gregg Toland (Wuthering Heights, The Grapes of Wrath), and featuring a debut score by Bernard Herrmann (Psycho, Taxi Driver) this is a film that Time Out says “*still amazes and delights*”.
