The pop-culture sensation makes a colossal return in the highly anticipated dark fantasy anime sequel

ATTACK ON TITAN

SEASON 2

On DVD and Blu-ray™ February 26

The battle for humanity’s survival continues as the epic anime adventure *ATTACK ON TITAN SEASON 2* arrives on DVD, Blu-ray™ and Limited Edition Blu-ray™ on February 26, courtesy of Sony Pictures Home Entertainment. With an all new 12-episode season, the struggles become more personal and the secrets of not only the Titans, but of those around them, will start to unravel.

Based on Hajime Isayama’s New York Times best-selling manga with over 2.5 million copies in print, *ATTACK ON TITAN* tells the story of humanity’s last remnants, sheltered behind large “walls” in fear of the giant humanoid “Titans” who hunt them. When the wall is breached and Eren Jaeger’s

mother is killed, the young man enlists in the Scout Regiment, the military's front line in their war to reclaim humanity's home, angrily declaring that he'll kill all the Titans.

Produced by the celebrated WIT Studio (*The Ancient Magus' Bride*), **ATTACK ON TITAN SEASON TWO** is helmed by Chief Director Tetsuro Araki (*Death Note*) and Director Masashi Koizuka (*Attack on Titan* Episode Director). Shunichi Yoshihara (*JoJo's Bizarre Adventure*) returns as art director, with character designs by Kyoji Asano (*PSYCHO-PASS*) and music composed by Hiroyuki Sawano (*Kill la Kill*).

The cast is led by Yūki Kaji (*My Hero Academia*), Yui Ishikawa (*NieR: Automata*) and Marina Inoue (*The Seven Deadly Sins*), reprising their roles from the first season. The release also includes an English language dub starring Bryce Papenbrook (*Sword Art Online*), Trina Nishimura (*Steins;Gate*) and Josh Grelle (*Yuri!!! On ICE*).

ATTACK ON TITAN SEASON TWO will also be available as a Limited Edition DVD and Blu-ray™ Box Set featuring a wealth of bonus content, including episode commentaries and interviews, the 24-page “Notes From Beyond the Wall: Part III”, plus an exclusive 60-page Art Book, featuring concept art and behind-the-scenes content.
