**We like it because:**

The "Macho Man" is one of those most innovative Superstars ever, with countless classic matches in both WWE and WCW. This collection opens up the vault for a whole new batch of rare and never-before-seen classics!

Most fascinating are matches against some of Randy Savage's most infamous opponents – such as Hulk Hogan, Ricky Steamboat, and The Ultimate Warrior – "alternative" versions of Savage's history-making WrestleMania bouts!

Longtime fans will love the backstage insights into the man himself, and stories behind his legendary feuds. And for newer fans, this 3-disc set is the perfect introduction to one of the most important, endlessly charismatic figures in the history of sports-entertainment!

Don't miss it! Ohhhh yeah!
