We like it because:

SummerSlam lived up to its name as one of WWE's biggest shows of the year, with incredible action, historic moments, and shocking twists!

Roman Reigns battles Brock Lesnar in a hard-hitting brawl, but there's a monstrous surprise waiting for both men outside of the ring. What plays out is a gripping battle that will keep you guessing to the final seconds!

It's also a career-defining night for Ronda Rousey, who sets out to prove she really is the Baddest Woman on the Planet against Raw Women's Champion Alexa Bliss. Can Ronda become the first woman to hold both UFC and WWE Championships?

And Ronda Rousey isn't the only female Superstar making history. Becky Lynch shocks the world following a nerve-shredding three-way against Carmella and Charlotte Flair. It's a moment that has to be seen to be believed. And more importantly, will Becky and Charlotte's friendship ever be the same again?

There are also fantastic performances from Daniel Bryan, The Miz, Braun Strowman, Seth Rollins, and Dolph Ziggler – not to mention the anticipated return of Dean Ambrose and surprise appearance of Finn Bálor's "Demon"!

As both the climax and beginning of some of this year's hottest feuds, SummerSlam is a show not to be missed!
