

SIBERIA (CERT TBC)

A good man sometimes makes bad decisions

Fast Sell:

John Wick meets John Le Carre with Keanu Reeves as a gun-toting diamond dealer going up against the Russian mob, in this chilly, action-packed thriller.

Synopsis:

Lucas Hill, an American diamond trader, travels to Russia negotiate a deal involving some very rare gems that he plans to sell to the oligarch Boris Volkov. When his contact for the diamonds goes missing, and he gets on the wrong side of Volkov, Hill finds himself stranded in the frozen wastes of Siberia, with only a local bar owner to help him face the deadly situation.

We like it because:

Those waiting impatiently for *John Wick 3* can rest easy - superstar Keanu Reeves blasts back onto the screen in **SIBERIA**, doing what he does best, sharp-suited and brandishing a gun in this action thriller that sees him go up against Russian mobsters after a botched diamond deal.

Written by Scott B Smith - the mind behind the devilishly twisty noir cult classic *A Simple Plan*, and the plague horror hit *The Ruins* - **SIBERIA** is packed with gunplay, action, double-crosses and romance, as Reeves finds his trip to Russia spiral further and further out of control.

Reeves is on sensational top form as the man who realises that his dodgy dealings come at a price. The cast also features up-and-coming star Ana Ularu as Reeves' love interest, 80s icon Molly Ringwald (*The Breakfast Club*), and *Deadwood's* Pasha D Lynchnikoff, brilliantly chilling as the oligarch who'll stop at nothing to get Reeves, or the diamonds, or both.

A heady mix of thriller and romance, with Reeves firing on all cylinders, **SIBERIA** is fish-out-of-water thriller gem that fans of *John Wick* and *Red Sparrow* will take a real shine to.

SIBERIA is released in cinemas and on Digital HD on 16th November from Signature Entertainment
