

DOSSIER OF JAMES BOND FILMS STARRING DANIEL CRAIG LANDS ON 4K ULTRA HD™

The Daniel Craig Collection *Available on the Ultimate At-Home Experience 11th November 2019* *4K Ultra HD to Include Dolby Vision®*

30th September 2019 – Today Metro Goldwyn Mayer (MGM) and Twentieth Century Fox Home Entertainment announced **THE DANIEL CRAIG COLLECTION**, the complete collection of the four James Bond films starring Daniel Craig as 007, which will be available for the first time on 4K Ultra HD™ in Dolby Vision®. Beginning 11th November 2019, *Casino Royale*, *Quantum Of Solace*, *Skyfall*, and *Spectre* will be available to own as a Collection for the ultimate at home movie-watching experience. The release includes select special features on *Casino Royale* and *Skyfall*.

From his introduction in *Casino Royale* through to his most recent mission in *Spectre*, Daniel Craig as Bond has experienced explosive action and adventures while his character crisscrossed the globe in a non-stop quest for justice.

Craig is currently in production on his fifth installment as James Bond in the franchise's highly-anticipated 25th feature film ***NO TIME TO DIE*** from Albert R. Broccoli's EON Productions, Metro Goldwyn Mayer Studios (MGM), and Universal Pictures International, which is set for theatrical release on 3rd April 2020.

The 4K Ultra HD Blu-ray discs of THE DANIEL CRAIG COLLECTION will feature Dolby Vision® ultra-vivid imaging. When compared to a standard picture, Dolby Vision® can deliver spectacular colors never before seen on a screen, highlights that are up to 40 times brighter, and blacks that are 10 times darker. With Dolby Vision®, you will feel as if you are inside the action alongside 007 as the picture comes to life.
