

VLAD THE IMPALER ⁽¹⁵⁾

Game of Thrones meets Vikings

Game of Thrones meets Vikings - with a Dracula origin story - in this thunderous tale of seven fierce warriors in 15th Century Turkey, tasked with hunting down the vicious warlord Vlad the Impaler, to put an end to his cruel reign of terror.

Packed with astoundingly bloody fight scenes, bone-crunching action, sweeping landscapes and startling heroism, VLAD THE IMPALER is an enthralling men-on-a-mission, swords and savagery epic. It's The Magnificent Seven crossed with Conan, as the unstoppable wing-backed warriors close in on their foe - with and a superbly sinister performance from Turkish star Erkan Petekkaya as the villainous Vlad Dracula, the 'heir of the devil', and the inspiration for vampire mythology.

In the middle of the 15th Century, in the depths of Turkey during the Ottoman Empire, the land is torn apart by horrendous atrocities and bloody murders are inflicted against the terrified people by the cruel and blood-thirsty, Vlad the Impaler. The ruler, Baba Sultan, orders a group of seven fearless warriors known as Deliler, to hunt down Vlad and end the persecution once and for all. The seven heroes set out on their long journey, stopping at nothing until they find the inhumane Vlad and defeat him in what will be a battle to end all battles...
